

# Understanding Disability

Watch the video [Living with a Disability](#) and then answer the following questions:

1. When Emily first found out that she had a physical disability, what did she think?
2. It turns out she was wrong. What did she find out about what she could do?
3. What did Emily's friends do to make sure she was included in activities?

4. What does Emily have to do to take part in some activities?

5. How does Emily hope people will view her?
