Staff—Favorite Children's Books

Mackenzie's Pick "I love this book because it is very engaging, and this author has a whole series of books just like this one."

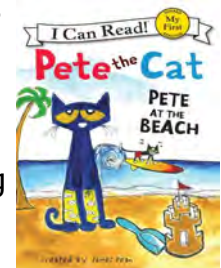

Jen's Pick "I like that you can sing various parts of this book and kids learn about different colours. They also must guess what colour Pete's shoes will be when he steps on different items. I love Pete the cat books but this one is my favourite."

Robyn's Pick "It was one of my favourites as a kid, Elizabeth is a strong and capable Princess who defeats a dragon all on her own! (Unlike that BUM Prince Ronald)"

Amy's pick "I love the Bear series by Karma Wilson, especially 'Bear Counts'. Bear seems to teach as well as entertain with good humor and world experience that kids can learn from."

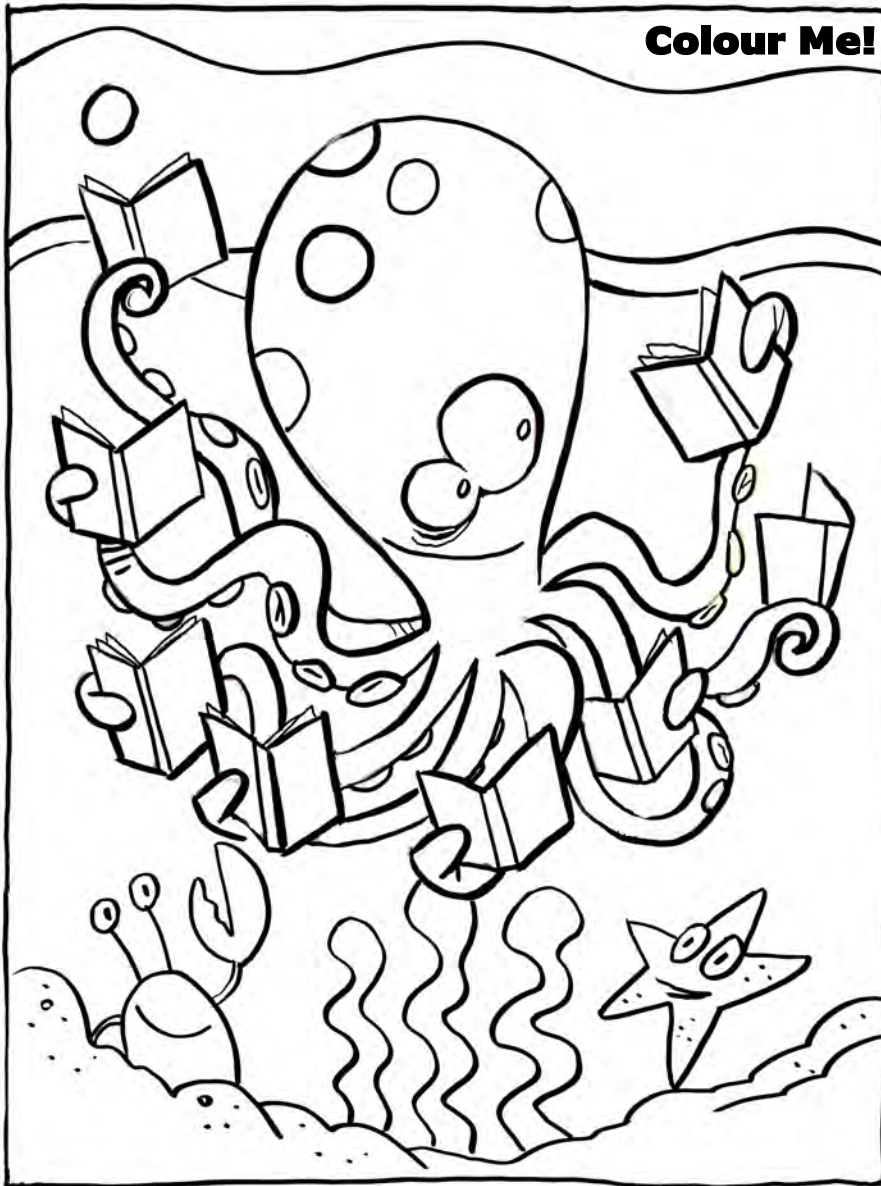

Ernest's Pick "The name immediately resonated with me - just rolls off your tongue; & Pete the Cat's a beach kinda guy and as an islander where the beach is a daily destination, I think we could hang out doing the things he loves to do on the beach!"
