News

Grab & Go

Grab & Go Service has now been implemented in all four branches as the Library has entered Stage 3 of re-opening. As part of Grab & Go, members can visit the Library, browse displays, use a computer, pick-up holds, and get one-on-one assistance from Library staff. Please see the front page for hours and locations.

Access Anywhere

Staying safe at home doesn't mean missing out on your

favourite Library programs or accessing books and magazines. Enjoy virtual programs and browse our virtual collection for eBooks, eAudiobooks, eMagazines, TV shows, music, and movies – all free on your device, wherever you are!

Borrow by Mail – Coming Soon!

Eligible Clarington Public Library members can request that materials such as books, audiobooks, or movies be sent to their home via Canada Post. Returns are free of charge, and staff will work with you to find the items you'll most enjoy. Get more information on our website at www.clarington-library.on.ca/mailout and pre-register.

The Borrow by Mail program is supported by the Government of Canada's Emergency Community Support Fund and Durham Community Foundation.

Children's & Youth Services

● Livestream Storytimes!

Online via YouTube

September 15th to November 26th

10:30 to 11:00 a.m.

Join Library staff online each week for a virtual storytime, live from the Library! All livestreams will be available to join via the Library's YouTube channel at www.youtube.com/user/ClaringtonPL!

Baby Bookworms	Tales for Toddlers	Family Storytime
[Ages 0 to 18 mo's]	[Ages 1½ to 2½]	[All ages]
Tuesdays	Wednesdays	Thursdays

★ Scientists in Situ

[Ages 4 to 12]

Online via Microsoft Teams

6:30 to 7:30 p.m.

Scientists in School present a series of fun and interactive workshops! Each virtual workshop includes a science kit which can be picked up at Courtice, Newcastle, or Orono Branch in advance.

Made possible by a grant from the Municipality of Clarington.

Mix It Up!

Wednesday, September 30th

Investigate solubility, explore dilutions, and have fun with the wonderful world of food science!

Sticky Science

Wednesday, November 18th

Make your own glue from food products and test them to see how they hold!

Candy Chemistry

Wednesday, October 21st

Discover the surprising science hiding in a bag of Skittles, with solubility, buoyancy, and reactivity!

Up, Down, All Around

Wednesday, December 9th

Discover the science behind a magic trick, defy gravity by creating a balancing bird, and engineer an elastic racer!

★ c_wonder Online Workshops

[Ages 7 to 13]

Online via Google Meet

Saturdays; Sep. 26th; Nov. 21st; Dec. 5th

10:30 a.m. to 12:00 p.m.

Boost your child's STEM skills with Ontario Tech University's Engineering Outreach! Each workshop will explore concepts such as the robotics, circuits, design thinking, and coding.
